-- **Chautauqua Clean Water Mission Acts of Service Auction -- see below for all the details.**

Monday, July 19

--**7:00 p. m.:** Adult Bible Study, Donnelly Pavilion. We'll focus on Chapter 5 of the book by Larry Selig, *5 Prayers God Loves to Answer* (pp. 57-66), which invites our consideration of the third petition of the Lord's Prayer: "Give us this day our daily bread."

Thursday, July 22

-- **8:00 p. m.:** Vespers, The Lookout. Vespers is a brief service of (recorded) evening song, Scripture, and prayer that invites a calm and peaceful conclusion to the day.

Looking Ahead: Chautauqua Worship on Sunday, July 25 will include a Celebration of the Life of Ellen Jackson. It will be held in the Auditorium. Beginning Sunday, August 1 and for the remainder of the season, Chautauqua Worship will be held in the Kupferle Chapel.

All Season: The Chautauqua Clean Water Mission is an ongoing project. The funds collected will be channeled via David's Well to provide a clean water system for an indigenous community in a remote area of Panama. Questions? See Jeff or Mary Charlton, Bren Deffenbaugh, or Clint McCann. Part of the project also is to educate ourselves about the global water crisis, so here is our **Water Fact for the Week:** Worldwide, women and girls spend an estimated 200 million hours hauling water every day -- time that could be spent in gainful employment, food production, schooling, etc.

Thanks!

Clint

Playschool Club and Activities:

The grounds are getting ready for a surge of kids and we are so excited. There have been a few questions about when Club and Activities will split up. While we love to do this around the 1st of the month we had a setback with Sam having to sideline possibly for the season with an unexpected surgery. He is fine and recovering well. He should be back with limited capabilities this week which will allow us to finally separate.

We also welcomed Ian Kajs as the assistant club director this past week. He will be working alongside Walker and Gavin to assist them in running the games. We are always asking for

popsicle donations so if you think of it while running into town the kids appreciate it especially on those hot days. Feel free to drop them off on my porch at 35 Jersey Ave or let me know and I can come pick them up.

Pink Geranium:

We love our Saturday mornings on the patio but desperately need your help!!! There are A LOT of spots open on signup genius and we are gearing up into the busiest part of the season. We have the girls ready to serve you but need more adult helpers in the kitchen. Not good in the kitchen you say... well If you can plate/ice cinnamon rolls, cut/plate casseroles then that is all the skills that are needed to help us.

We are also looking for bakers for our eggs and sweets. Not good at baking you say... we have a donut and/or fruit category as well (no skills required there). Dukes, Walmart and Schnucks all have great donuts that they sell by the dozen.

Here is the link if you are on a device...

<https://www.signupgenius.com/go/20f0548acac23a4f49-lcia2> or Call Natalie Stevenson Merrill 573-355-4759 and she can put you in a slot.

Thanks from your Pink G hostesses,

From the Historical Society: Happenings

Our community July 4 celebration took place on July 3 this year. The LCIA morning parade helped the opening of the Hillside ceremonies. We are grateful for the continued collaborative efforts of the Chautauqua Players and Lori Adams in making possible the music for the program. We are also grateful to the ***Chautauqua Veterans Flag Detail*** (CVFD), made up of Chautauqua men and women who have served and/or are serving in the armed forces or National Guard, for their participation in the ceremony. This year we honored especially World War II veterans Charlie Schaeffer and Gordon Higgins, along with Korean veteran Don Bryant. Thanks to Chuck Bryant for his long time leadership with the CVFD.

Rose Tomlinson's ***Mystery Quiz*** on July 10 featured a celebrated Chautauqua woman who founded both the Library and the Historical Society. Over 20 people correctly identified **Judy Hurd**, and in a drawing for the Rose *Iris Watercolor print*, the winner was **Susan Seiber**. Look for this week's opportunity on Saturday at the entrance to the Pink Geranium.

Join the Historical Society! Our PHA level members pay for the cost of our Newsletter in full color.

Our next flag ceremony is July 25, when we will honor a father-son combination: Dr. William Grundmann, a World War II veteran in the Army Medical Corps, and his son, Bill Grundmann. The Grundmanns (*Villa Mexico*) are one of the oldest leaseholder families in the community, dating back to the early years of the 20th century.

Other Happenings: Plan to attend a presentation by CHS president **Tim Tomlinson** on **July 25**, 7:30 in the evening, at the Chautauqua Auditorium. "The Chautauqua Movement in the late 19th and early 20th centuries was an important place for the discussion of serious political, social, and economic ideas, and religious positions," says Tomlinson. "One might think of the Chautauquas across the country as the equivalent of social media and cable news outlets." The presentation, *Morally We Roll Along*, is a CHS ***Piasa Bluffs Assembly Special Lecture***.

Storyteller and naturalist Richard Keating's most recent book was on the history of Pere Marquette State Park, published by the Missouri Botanical Garden. Keating is an emeritus professor at SIUE and a research associate at the Garden. He will present on August 15 at 7 P.M. The Keating presentation is not listed in the Daily Schedule section of the 2021 Program Book, so make your calendars accordingly.
