All Season: The Chautauqua Clean Water Mission is an ongoing project. The funds collected will be channeled via David's Well to provide a clean water system for an indigenous community in a remote area of Panama. Thanks to all who have contributed so far, and thanks to all who supported the Acts of Service Auction with their offer of and/or purchase of services! Questions? See Jeff or Mary Charlton, Bren Deffenbaugh, or Clint McCann. Part of the project also is to educate ourselves about the global water crisis, so here is our

Water Fact of the Week: The average woman in rural Africa walks over 3.5 miles every day to haul 40 pounds of water.

Chautauqua Clean Water Mission

Papers and Pennies for Panama

Last week's results ended with a VERY close number that just allowed the men to eke out a win with \$111.78 to the women's \$103.00.

If I know women (which I should!) I know this has ruffled our feathers just enough to END this losing streak! Watch out, Men! Your wins are over!!!

Acts of Service Auction Results

Thank you ALL for your awesome acts of service ideas. And, thank you to all who participated and bid.

The end results totaled: **\$1605!**

Dr. John Palcheff has graciously offered to continue scheduling appointments for School Physicals. If this is something you are interested in please contact Dr. John at his cottage for available appointment times. \$50/appointment and this will go towards our Clean Water Mission goal

Youth Sunday, Aug 1

On Aug 1, the Sunday following the Children's Day Pageant, the Chautauqua Youth will be leading worship at the 11 am Chautauqua Worship in the Chapel.

Practice will begin at 9 am in the Chapel and go until 10 am. The children will be dismissed to their homes and we ask that you bring them to the 11 am service. Those 3-5 years old can sing along and then go to Playschool or babysitting.

You are invited and encouraged to stay and be a part of this tradition and partake in our community Worship gathering with your kids.

There will be donuts following the service.

IF you are leaving after Children's Day weekend (aka Sad Sunday

-July 31st 🙄) PLEASE get me your timesheet on Saturday or Sunday morning. (I've relocated to Lauri Chamberlain's cottage at the end of Jersey til August 1st).

An email will go out in August about time sheets for the rest of the season.

We are in the thick of the season, so keep working hard and making me proud!

Men's Club

Thanks to everyone who volunteered and ran the 5K. We had 48 racers out on the course and the winning time was 20:31 by Cary Stalnecker (member of the Stocke family).

Some highlights of the race were

1. Lazy Bill Holowatuk completed the course in spirit by passing his bib to Palcheff at the 4K mark
2. Carolyn Glanville slept in with her sweet new baby boy Cooper so she didn't compete (though she claims she watched from her cottage window) and earned a DNF
3. The Knese girls proved that soccer players can crush a 5K with no training
4. Tim, Amy, Kathleen and Kim tried to cheat the course by skipping the harbor - they were caught and shamed at the finish line

5. Cody Stevenson sold all of the cars at the front gate and promised a commission to the Men's Club :)

Thanks again to all! Looking forward to 2022 - and if you didn't get your shirt come to 25 Alton Ave and pick up.... AND if you want to BUY a shirt and claim you ran the race come by 25 Alton Ave to negotiate.

From the Historical Society: Happenings

Rose Tomlinson's *Mystery Quiz* on July 170 featured a celebrated Chautauqua woman who was an important leader in staffing the Station Stand, herself and with a corps of volunteers she recruited. **Ruth Nickols** is the correct answer to last Saturday's quiz, and in the drawing from among the entries, **John Palcheff** is awarded the prize. Look for this week's opportunity on Saturday at the entrance to the Pink Geranium.

Join the Historical Society! Our PHA level members pay for the cost of our Newsletter in full color.

Our next flag ceremony is July 25, when we will honor a father-son combination: Dr. William Grundmann, a World War II veteran in the Army Medical Corps, and his son, Bill Grundmann. The Grundmanns (*Villa Mexico*) are one of the oldest leaseholder families in the community, dating back to the early years of the 20th century. All members of the Chautauqua Veterans Flag Detail who plan to be present for the ceremony, which will follow the Church service, should be attired appropriately in shirt and cap. Let's have a large turnout to celebrate the service of the Grundmanns.

Other Happenings: Plan to attend a presentation by CHS president **Tim Tomlinson** on **July 25, 7:30** in the evening, at the Chautauqua Auditorium."The Chautauqua Movement in the late 19th and early 20th

centuries was an important place for the discussion of serious political, social, and economic ideas, and religious positions," says Tomlinson. "It's possible to think of the Chautauqua movement as a sort of cultural circus, rolling from

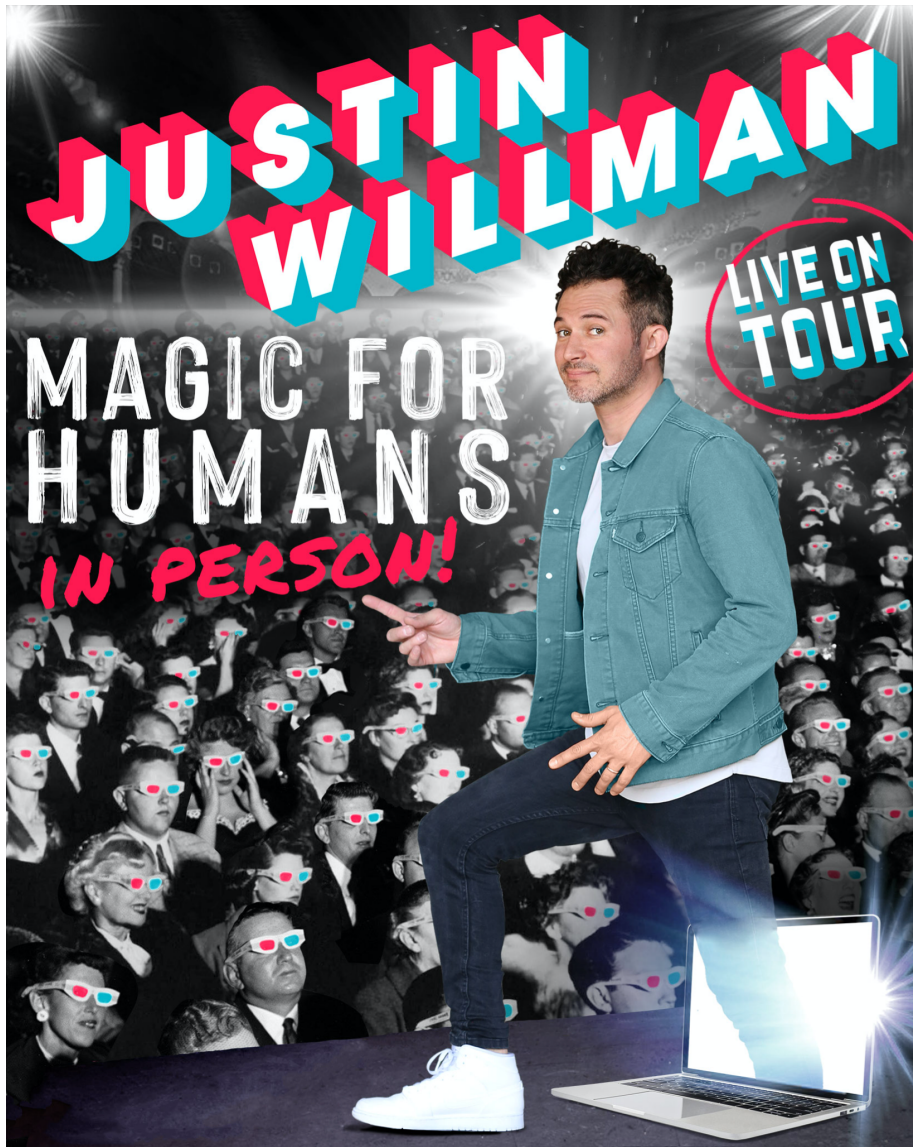

one town in America to another." The presentation, *Morally We Roll Along*, is a CHS **Piasa Bluffs Assembly Special Lecture**.

Storyteller and naturalist Richard Keating's most recent book was on the history of Pere Marquette State Park, published by the Missouri Botanical Garden.

Keating is an emeritus professor at SIUE and research associate at Garden. He will present on ***Postcards the Past*** on August 15 P.M. The Keating presentation is not listed in the Daily Schedule section of the 2021 Program Book, so make your calendars accordingly.
