NEW PIASA CHAUTAUQUA CHURCH ASSEMBLY

COMMUNITY WIDE MISSION PROJECT

KICKOFF

THURSDAY, JUNE 24, 2021, 7:15 pm
~~AUDITORIUM

Jeff Charlton, Bren Deffenbaugh, and Dr. Clint McCann will present a night of book discussion, shared personal expertise and experience regarding the global need for clean water.

Following introductions, Clint and Bren will discuss an excellent book, titled *THIRST*, written by author, Scott Harrison. It is Scott's remarkable journey of dedication and determination, passion, love, and resilience. It's about who Scott was, the life he lived, and his remarkable transformation and wakening. It's about his struggles, and his accomplishments. Most importantly, this book is about clean water, the lack of, and what he and others do to provide clean water for others.

THIRST is a story about all of us. It's about we as individuals, seeing the basic need of clean water as a human right, believing we can help, and doing so.

As both Jeff and Clint describe what they have done or seen, and Clint and Bren share Scott Harrison's journey, we will be made abundantly aware of the need for clean water, what positive results can be accomplished, and again, that there is so much more we can do to help.

We believe we have a profound message to share. Most importantly, our stories are about all of us. They are about we as individuals, seeing that basic need of clean water is a human right, and believing we can and will help.

Chautauqua has always been a community that realizes there is a need, and generously and gracious gives financially with a loving heart. Again, as we gather in the auditorium, Thursday, June 24th at 7:15 pm, may this be the beginning a successful community-wide mission project, that starts with us.

TEENS! TEENS! TEENS!

NPC TEEN THEATER AUDITIONS
for “Random Acts of Comedy” SUNDAY,
JUNE 20th

Calling all teens! After a two-year delay, we are excited to get the Chautauqua Teen Theater back up and running. This summer we’re going for the laughs and smiles, because, well, considering the last two summers, we’ve had enough of the serious stuff. Here’s all you need to know... *Auditions will be Sunday afternoon, June 20th at 1:30pm in the auditorium*; yes, that’s Father’s Day, but hopefully your dads can spare you for a little while. Auditions will be very low-key, we just want to hear you read a little. The show is Friday, July 16 & Saturday July 17. We will need you for three weeks of rehearsals, June 27-July 15, most of which will take place between 5:15--6:45pm in the auditorium. You can participate if you are age 13-20—you must be 13 by Labor Day. If you have a conflict during that time period, let us know and we will try to work with you if we know ahead of time—**YOU MUST BE ABLE TO BE AT THE ENTIRE FINAL WEEK OF REHEARSALS.** **If you’re interested in being in the show but can’t make the audition, please get ahold of Mrs. Wilson or Mrs. Arendt by the audition date and we will try to see you at another time—in order to be considered without auditioning.

we MUST hear from you by June 20th**
We are excited to get started! See you on June 20th at 1:30!

Chautauqua Challenge 2021

The Chautauqua Challenge is back! In the spirit of getting out of our cottages, participating in Chautauqua’s fitness events, and competing with our friends and family, we welcome back an old tradition with some fresh ideas.

To get your competitive gears going, this year there will be point levels with each level receiving a special, coveted prize.

Starting at **Creek level**, participate in at least one activity per day to get 400 points. Up your points to 500 and you’ll be at the **River level**. Jump to 750 points and you’ve reached **Lighthouse level**. With 1000 points, ladies, and gentlemen, you will reach **Bluff level**. And finally, if you’re a super athlete bringing in the season with 2000 points, you can reach **Piasa Bird level**, a feat not dared by the faint of heart.

Opening day is June 12th and closing day is July 24th. Points can be tracked using a point sheet available at the Administration Building or using a google form (keep an eye on your inbox for the link!).

Adults (18+) are asked to contribute \$15 to participate. Kids are free! All children under 10 years old must have their point sheet signed by a parent or grandparent.
