The Chautauqua Clean Water Mission is drawing to a close. Thanks to those who have contributed! Watch for an announcement of the total on Saturday evening, July 31. The funds collected will be channeled via David's Well to provide a clean water system for an indigenous community in a remote area of Panama. Part of the project is to educate ourselves about the global water crisis, so here is our Water Fact of the Week: Every day, more than 800 children under 5 die from diarrhea caused by contaminated water, poor sanitation, and unsafe hygiene practices related to the unavailability of clean water.

Thanks!

Clint

2021 BOAT REGATTA RESULTS

A big thank you to all of the volunteers who helped us have another very successful cardboard boat regatta! Justin Young, Melissa Young, Pat Judge, Mike Schlansker, Jeff Luken, John Colbert, Matt Stocke, John Mennell, Stephanie Mennell, Steve Arendt, and Becky Arendt were some of our many volunteers on the day of the event. Thank you to them and anyone we might have missed, and thanks to all of those who helped carry a boat on the deck or push our contestants back onto the track. Also thank you to Walker for coming down early to clean the pool and all the lifeguards who worked the event.

We also wanted to send out a couple of special thank yous. First, to Carl Raab who strung up lights outside the workshop that helped light the way for those working late at night building boats. Second to Sandy and Annie Dugan, who completed the herculean task of being our official boat judges.
